

Comfort Rewards Program

With the D & K Comfort Rewards Program, you'll have peace of mind knowing that your heating and cooling systems are always running safely and at peak performance. Just a few of the benefits of regular scheduled maintenance are:

- Lower utility bills
- Extended equipment life
- Fewer repairs
- Increased comfort
- Assurance that your system is operating safely
- All manufacturers require that your equipment be serviced annually by a qualified service technician in order to honor their warranty

The D & K Comfort Rewards Program is much more than just a maintenance plan for your heating and cooling system. It is an inexpensive and worry-free way to provide year-round total comfort for your home for the life of your system. As a member of the D & K Comfort Rewards Program, you will be confident that your heating and cooling needs are in good hands. Along with an annual system service, membership includes many additional benefits to ensure you are comfortable around the clock and from season-to-season.
